## About Us

Our vision is to build communities of empowered girls who inspire and uplift each other in order to have a positive and lasting impact on our world.

## Description of Camp

Athena Camps are summer day camps that run from 8am-5:30pm, Monday - Friday. We have two locations, **San Jose Christian School** and **Gardner Bullis School** in Los Altos. At each location there are 3 camps running at the same time (Mini, Junior, and Middle School). Each camp is run by up to three Camp Coaches and is overseen by two Directors.

## Description of Internship

Internship commitment is for one week, Monday – Friday, 8:30am-3:30pm. Available weeks are June 12 – August 4. You may sign up for more than one week. Leadership Training is provided (see dates below).

Interns assist the Coaches and Directors in a variety of ways such as: support with teaching sports and/or art projects, take photographs, set up and clean-up activities, and organize camp supplies. Interns assist the campers in various ways such as: attend to minor injuries, lunchtime, playground, and bathroom supervision. Most importantly, the Interns will interact and engage with the campers, sharing stories, promoting self-expression, and encouraging campers to try new things.
